

The Rey Perales

MEMORIAL SCHOLARSHIP

Proudly Offering the Rey Perales Memorial Scholarship to the Children of NPC Members and Their Employees

Scholarship awards are determined by academic achievement, a student researched essay, and letters of reference. The dollar amounts of the scholarships and number of winners will be determined by the Scholarship Committee annually, based on the available funds. The range of dollar amounts will be a minimum

of \$500 to a maximum of \$5,000. Scholarships are announced in January of each year and will be awarded at the National Plasterers Council Conference the following February. This is one of the great benefits of being an NPC member – your membership dollars help support this very worthy cause.

SCHOLARSHIP AWARD REQUIREMENTS

The NPC Scholarship Committee awards equally on the following three areas:

- 1) *Enrolled in college/university, trade school or masters program;*
- 2) *Letters of Recommendation;*
- 3) *Researched Essay Paper*

Awards shall be mailed directly to the student for the summer or fall semester of study during the year awarded. Failure to provide proof of registration where you have been accepted by June 1st of the year awarded may be grounds for forfeiture of the award. Awards are solely the decision of the Scholarship Committee.

Submissions will be reviewed in a “blind” format so no committee member will be able to identify an applicant. All awards are final.

The Board of Directors and the Scholarship Selection Committee will invite first-time award recipients to attend the National Plasterers Council's Annual Conference to receive his or her award. The member company sponsoring the student is expected to assist the student in their expenses to travel to and from the presentation at the NPC National Conference.

ELIGIBILITY TO APPLY

Applicants must be a legal son or daughter of an employee of a Member Company in good standing (any membership category) of the National Plasterers Council to apply. Applicants must be at least a Senior in High School or no more than a Junior in College or enrolled in a Masters program.
